

MATERIAL SAFETY DATA SHEET

Section I	Product Identification
-----------	------------------------

Manufacturer's Name: One Biotechnology
Emergency Telephone Number: (800) 951-4246
Address: P.O. Box 758 Oneco, FL 34264

Chemical Name: Microbial drain line, grease trap and septic system treatment

Trade Name: **BioOne[®]**

Microbial Formulation: The product formulation consists of naturally occurring non-pathogenic microorganisms.

Section II	Hazardous Ingredients
------------	-----------------------

Basic Material Contains no hazardous substances

Section III	Physical Data
-------------	---------------

Boiling Point (°F) 212 (760 mm Hg) (Approx.)
Specific Gravity 1.0 (Approx.)
Vapor Pressure (mm Hg) 24.00 (Approx.)
Percent Volatile by volume (%) N.A.
Evaporation Rate N.K.
Solubility in water Soluble
Appearance and Odor Blue Color/Earthy Scent

Special Notes

Not for human and animal consumption

Emergency First Aid Procedures

Eye Contact

Flush eyes with sterile water until irritation subsides or stops

Skin contact

Wash with soap and water

Inhalation

Although not an acute hazard as tested in rats, chronic effects are unknown. Upon prolonged or repeated respiratory contact, see a physician.

Ingestion

Low order of toxicity. Upon ingestion, induce vomiting and contact a physician.

Section IV	Spill or Leak Procedures
-------------------	---------------------------------

Steps to be taken in case material is released or spilled.

No Hazard. Wash away with plenty of water.

Waste Disposal Method

Use normal liquid waste methods in conformance with pertinent federal, state, and local regulations.

Section V	Special Protection Information
------------------	---------------------------------------

General Precautions

Treat as you would any chemical or biological material. Always wash hands thoroughly after use.

Special Precautions

This product is not intended for human or animal consumption.

Section VI	Additional Information
-------------------	-------------------------------
